

Terms and Conditions

The EV Motorsports (EVM) Referral Membership Program (EVRP) is open to all EVM customers who meet the EVRP requirements.

1. Referrers must be at least 18 years old to participate.
2. Customers wishing to become Referrers must be the registered owners of the vehicle.
3. Customers can automatically become members/referrers by spending a minimum of RM500 on any EVM services.
4. The Referrer's future commission entitlement (FCE) will be based on their initial spending amount.
5. Referrers are eligible to receive a commission of 5%-20% on the total amount spent across all services. The minimum spending requirement is RM500, and the maximum commission limit is set at RM600.
6. Spending must be done in a single receipt; multiple expenditures by the same owner and vehicle will not be aggregated.
7. If a customer pays a deposit for a service to be carried out in the following month, their total spending can be accumulated. However, the commission will only be paid after the total spending is completed.
8. For customers with multiple vehicles, the membership applies only to the first vehicle that receives services from EVM.
9. As members/referrers, customers are entitled to a 5%-10% discount on all future services obtained from EVM.
10. Referees can avail a 5%-20% discount on EVM services by presenting a referrer code and spending a minimum of RM500.
11. Referees will become automatic members if they spend a minimum of RM500 (after applying the 5%-10% discount) on any EVM services.
12. Referees who spend less than RM500 will not qualify for membership, and the Referrer will not receive any commission.
13. Each referrer can earn commission only once per vehicle.
14. Membership becomes effective three working days after signing up.
15. Soliciting and touting are strictly prohibited on EVM premises and social media pages. This includes sending direct or private messages to EVM social media users.
16. The referrer who introduces the most referees will receive a monthly gift (subject to availability of the monthly gift campaign).

17. Before commission payment, referrers need to provide EVM with photocopies of their personal identification, vehicle ownership certificate (Sijil Pemilikan Kenderaan), and bank account details.
18. Commission payment will only be made if the name on all three of the aforementioned documents matches.

The EVM Referral Membership Program (EVRP) is not applicable to used car dealers/salespersons and car sales advisors.

EVM reserves the right to terminate the EVM Referral Membership Program at any time.

EVM reserves the right to modify any details of the EVM Referral Membership Program at any time.

EVM reserves the right to withhold commissions in cases where fraud or misconduct is suspected.
